10.00am — 12.00pm

Refreshments and lunch provided

The National Picture and Priorities

We warmly invite you to join us at this Maternity Voices Partnership information session.

- Give a brief background to Local Maternity Systems and Maternity Voices Partnerships
- Update on the current National Picture & Priorities

Major changes are taking place in the way Maternity Services will be delivered and the choices women and their families can make. This session will provide an overview of the changes and a chance to ask questions and discuss the issues.

This session is for the Voluntary & Community Sector and those who work with local women and families.

The session will be delivered by Rachel Wild, Specialist Midwife, Better Start Bradford.
